EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 25 Nov. 2003, Daniel A. Geselowitz requested an extension of time for an additional MONTH(S) and authorized the Director to charge Deposit Account No. 01-2340 the required fee of \$265 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Claim 22, lines 1-2, "microorganism produced polymer is a polyamino acid containing" has been changed to --polyamino acid contains--.

Claim 23, lines 1-2, "microorganism produced polymer is a polyamino acid substantially consisting" has been changed to --polyamino acid substantially consists--.

Claim 24, lines 1-2, "microorganism produced polymer is a polyamino acid containing" has been changed to --polyamino acid contains--.

Claim 33, line 1, --for purifying an environmental pollutant-- has been inserted after "agent".

Claim 34, line 1, --for purifying an environmental pollutant-- has been inserted after "agent".

2. The following is an examiner's statement of reasons for allowance: In view of the declarations filed under 37 CFR 1.132 on March 17, 2003 and Nov. 3, 2003, claims 20-48 are allowable because the declarations establish that the treatment agents listed by the reference of Soon-Shiong are not equivalent to the treatment agents of either of the references of Weber et al. or Yamada et al.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William H. Beisner whose telephone number is 703-308-4006 (571-272-1269 after 12/16/03). The examiner can normally be reached on Tues. to Fri. and alt. Mon. from 6:40am to 4:10pm.
